What's L.CASH?

Together with Mastercard and Visacard, L.CASH ensures that you can pay easily and enjoy a borderless shopping experience around the world. No matter where you are in the world, efficient and convenient payment services are always with you.

The L.CASH card cleverly combines the advantages of cryptocurrencies and fiat currencies to open up a whole new money management experience for you.

Through simple operations, you can quickly recharge and repay the funds in the card, and enjoy the trust and convenience of digital currency issuance.

L.CASH

Save More, Earn More with L.CASH

01

L.CASH specializes in providing crypto users with secure and convenient services such as online banking accounts, international remittance, cryptocurrency exchange, and prepaid card solutions.

03

Prepaid cards enable convenient online transactions without requiring a conventional bank account.

05

All transactions are fully encrypted and personal data is protected, making L.CASH a safe and reliable exchange users can trust.

02

- Officially registered as a Virtual Asset Service Provider (VASP) in Lithuania
- Pursuing the decentralization of financial services through blockchain technology

04

Licensed for virtual asset exchange and custody services to enhance secure crypto transactions and storage.
